# THE OXFORD HINDI-ENGLISH DICTIONARY

The new *Oxford Hindi-English Dictionary* is a landmark in the description of Hindi. It is an essential reference for all those concerned with modern Hindi, whether students, scholars, translators, or in professional contexts. The *Dictionary* reflects the dramatic development of Hindi in the twentieth century, giving extensive coverage of the modern standardized language, both spoken and literary. Its main features are:

- Over 70,000 entries
- Generous illustrative examples showing words in use
- Modern regional variants
- Coverage of Urdu vocabulary

R. S. McGregor has been Reader in Hindi at the University of Cambridge since 1964. He has published widely in the field of Hindi language and literature. His publications include *An Outline of Hindi Grammar* (OUP, 1986) and *Devotional Literature in South Asia: Current Research* (CUP, 1992).
